Take the Stress out of Back to School

While the summer is just getting started, we all know how time flies when you're having fun in the sun! One day you're relaxing poolside and the next you're prepping for the first day of school.

While returning to the classroom can be emotional for kids, it can be a financial obstacle for many parents, as back to school requirements and lists seem to get more complicated and longer each year. From binders and backpacks to computers and clothes, families on average will spend just under \$700 on back to school supplies, according to the National Retail Federation. That's a small fortune!

One way to ease the transition from summer vacation to school days and take the stress out of back to school shopping is with a low-rate, flexible First Choice Back to School Loan.

Funds from your loan can go toward any or all of the following:

- * School supplies (pencils, notebooks, etc.)
- * Laptops, PCs, or Tablets
- * Clothing or school uniforms
- * College textbooks
- * Dorm room gear
- * Anything else to send your student to the head of the class!

Why not take the stress out of back to school expenses so you and your family can enjoy every precious sun-drenched moment of summer? Apply today for an affordable Back to School Loan. Just visit www.firstchoiceccu.org, or stop by any branch location.

LOANS ONLINE

If you need a loan, it may be just a few clicks and keystrokes away. Go online to the credit union's website www.firstchoiceccu.org to check out our low rates and complete a loan application. We'll be back in touch with you shortly. Borrowing from the credit union has never been easier, so scroll on over to our website and apply online.
